**Crich Parish Council**  
**Monday 7th. September 2009, held in the Glebe Field Centre**

**Present:** Cllr Lane (Chair), Cllrs. Brierton, Bateman, Birkin, Bown, Clark, Fudge, Harrison,

It was agreed that the “Information from members of the Parish Council” agenda item should be abandoned and that matters requiring early action should be reported directly to the Clerk by telephone or preferably email. Other matters should be reported to the Clerk as items for the next agenda.

RG issues:

- Fence (Ward Fencing could fit intermediate wooden posts and rubbers to insulate the wire panels from the metal posts at a cost of £2600 +vat). Members expressed concern over the cost and felt that the company should accept some responsibility for erecting a structure that was unfit for purpose and about which there are some quality concerns e.g. tension of the wire panels and loose bolts. Cllr. Thorpe believed that AVBC had a similar problem with a similar fence and it was agreed that Cllr. Thorpe and Clerk would seek to work in conjunction with AVBC on this matter.
- Proposed path – after some discussion it was agreed that such a path 06 Ti0 1t necsedary.

BT wishes to know if the PC would like to adopt the telephone boxes at Crich Market Place and Fritchley Green for £1 (their records for the past 12 months show very low usage of these kiosks. After some debate about possible uses for the boxes (e.g. information points) it was agreed to ask the Crich Heritage Partnership if they wished to take on responsibility for them.
